SCHOOL TRUSTEE ELECTIONS SET FOR FRIDAY

NEW CITY COUNCILMAN O. JENSEN TO CONFER WITH DISTRICT OFFICERS ON SANITARY DISTRICT PROBLEMS

Oliver C. Jensen, local contractor and school building inspector, was sworn in Monday night as a city councilman, replacing Dr. J. Frederic Snyder, who has moved his residence out of city limits.

Jensen will take over Snyder's committee appointments, which include chairmanship of Health and Safety committee.

As one of his first city duties, Jensen, with city attorney Joseph A. Bonacina, will attempt to unravel the problems arising from city's recent acquisition of the Campbell Sanitary District. The district became a city function with the annexation of the Prestigiacomo property, last portion of the district outside city limits.

Jensen and Bonacina will confer at a meeting tentatively set for tomorrow afternoon at the Campbell office of Sanitation District Number Four. Expected to be present at the meeting besides Jensen and Bonacina will be Steve Goodman, Campbell manager of Sanitation District No. 4 and other representatives with their attorneys, of the Sanitation District, and the Campbell Sanitary District.

The exploratory meeting has been called in an attempt to provide answers to the following questions:

(1) What is the effect of the dissolution of Campbell Sanitary District? County Counsel Howard W. Campen, and Campbell City Attorney Bonacina agree that sewerage disposal now becomes a city function.

(2) How will the city handle the new duty? Mayor Richard W. Morton pointed out in Monday night's meeting that the city has no facilities, and no personnel to handle sewerage disposal problems, immediately, efficiently and economically. Bonacina, as the city legal advisor, warned against the unauthorized creation of a citizen's advisory, or official sewerage disposal commission as contrary to the form of government under which the city now operates. A possible solution, the mayor suggested, would be to activate a city public works department, mechanics for which are provided for in the existing administrative ordinance. Another possible solution, according to the mayor, would be to enter into a temporary contractual agreement with Sanitation District No. 4, for the use of their personnel and facilities.

(3) How will the district's assets be apportioned? What, if any, change in district taxes will dissolution incur? District's assets consist of approximately $17,000 cash on hand, a portion of which will go for unpaid bills. All physical assets were bought by Sanitation District No. 4. The taxes which were collected by the county now become a city function.

Officials of the Campbell Sanitary District are: Charles DeSelle, chairman; Ethan Lanphear, secretary; Ross Trowbridge, Homer Hyde, Herb Shadle, and Walter Silberbauer, members of the board of directors: E. A. Wilson of the firm of Kirkbride and Wilson are attorneys for the district. Engineer is Don Reinoehl.

Dr. Guatinell Is Kiwanis Speaker On Soc. Medicine

Kiwanis guest speaker Tuesday noon was Dr. Ralph Guatinell, presently a practicing physician at Los Altos, but a former doctor in England under that country's socialized medicine program. Subject of Dr. Guatinell's talk was to point out how the socialized program affects doctors and patients. He said the program in England is an obvious failure, and cautioned Americans to watch for bills in various guises which attempt to introduce the practice in this country.

Socialized medicine schemes, thedoctor said, promoted in the United States, followed closely those introduced into England. Under that program, one doctor is assigned to 4,000 patients, whose health and physical welfare is his responsibility. For this responsibility, the doctor receives $2.40 for each patient for one year's treatment.

Under this system, the doctor said, the overworked doctors do not have time to properly care for their patients. More and more people go to doctors for real or imaginary ailments, further cutting the time required to care for the seriously ill.

Patient traffic has increased to such an extent, Dr. Guatinell pointed out, that a doctor practicing under a socialized medicine program sees on the average 20 patients an hour. "Under this sort of program" the doctor said, "There is no justice done to either the patient or the doctor."

Chairman of the day at the meeting was Dr. W. B. Morrell, who announced that June 2 will be ladies night to be held at the Campbell Grammar school cafetorium. June 2 is also the night of an interclub meeting with Santa Clara.

STRATISTICIANS. . . . Campbell mayor Richard W. Morton, Campbell Fire Chief Jack B. Scott, and Campbell Superintendent of Union High School District, Lalrence J. Hill, (left to right) with representatives of local softball teams put heads together to discuss plans for the coming Campbell High School area Summer Softball recreation program, which will be managed by Campbell High School Coach, Junior Morgan(not shown in picture.) First game of new season gets under way Monday evening, May 18, with six teams playing an exhibition three innings apiece—(Staff Photo)

Summer Softball Starts Monday

Opening ball games of Campbell High School's Summer Recreation program will be played off Monday night May 18 at Campbell High School diamond with all the big wheels of the city expected to be present to get the season rolling.

All eight teams of the local league will be there and all will play at least three innings of softball with the opening game slated for 6:30 p. m., according to Junior Morgan, manager of the softball portion of the program.

The league as now set up consists of three leagues, with the 'A' league consisting of local merchant teams; the 'B's' will be picked teams from Campbell High School, while the 'C' league will be composed of teams from the Campbell Elementary Schools.

Mayor Richard Morton will start the season by pitching ou the first ball to Campbell High School District Superintenden Laurence J. Hill batting and Campbell Fire Chief Jack B. Scott behind the plate.

Among the teams who will participate in an exhibition three innings are:

Bidou's Bakery, Hunt's Foods of Campbell, Western Gravel, Valley Athletic Club, Lt. Byron C. Lanphear Post, Veteran's of Foreign Wars, Sander's Electric, Independents, and Davenport Electric.

Schedule calls for 'A' leaguers to play Wednesday and Friday nights; 'B' leaguers will have the field on Monday while the 'C' league has reserved the field for Thursdays.

DR. CORWIN OLDS IS SPEAKER FOR ROTARY

Rev. Corwin Olds, pastor of Campbell Congregational Church, was the guest speaker at Campbell Rotary Club noon meeting, Monday. Dr. Old's subject was the California National Guard, of which he is a Chaplain-Colonel.

Dr. Olds emphasized the hometown status, the decentralization advantages, and the purpose of the National Guard which he said was to insure the privileges of a "Democracy of Responsibility."

Dr. Olds, speaking of the background of the National Guard mentioned the appropriations that were passed in 1903, 1908 and again in 1916 to maintain the force, which is kept at approximately 50 percent of war time strength.

CAL SUPPLY MEETS NAPA MERCHANTS SAT. NIGHT AT CAMPBELL DIAMOND

Winding up their 13 game "spring training" practice games last week with convincing victories over San Mateo Merchants, Leon Terry's of San Jose and Paine's Club of Hollister, California Supply Company's powerful softball team will settle down to serious business Saturday night at Campbell Grammar School diamond when they meet Napa Merchants, 1952 league and Regional champions, in the opening home game of the California State Softball league schedule.

Bud Bosque, veteran pitcher of the "Blue Streaks" is definitely slated for mound duty in this game, and will probably be opposed by Leroy Steck, ace of the Napa Merchants staff.

Napa Merchants last Saturday night started their season with a 1 to 0, 14 inning, victory over Tommy Joy and his Chapel of the Oaks nine of Oakland, runnersup in last year's Regional Tournament.

Last week the "Blue Streaks" bested San Mateo Merchants, 8 to 2; Leon Terry's, 7 to 1 and Paine's Club 11 to 0, which gives them a record of 11 victories in 13 starts in the "spring training" games in which they have scored a total of 83 runs to their opponents 19.

The entire team is hitting the ball at a .275 clip, in addition to showing plenty of hustle and speed in the field and on the basepaths.

Bud Bosque leads the team's hitters with a .429 average, with centerfielder Buster Fontaine second with a .419, utility man Bryan Foley third with .400 and right fielder Don Ouelette fourth with .394. Catcher Ray Rodriguez dropped to .286 over the past week,

CAMPBELL HI-LITES

by Bob Olson

The junior class of Campbell High School is sponsoring its annual Junior Prom tomorrow night night from 9-12 P. M. The theme is "Stairway to the Stars" and the girls' gym will be appropriately decorated with the glitter of angel hair clouds and 1400 stars aglow in a deep purple sky. No Campbell High School environment has ever more closely resembled heaven; shrubbery hides a conversation corner, there are spangles, spangles everywhere, and 290 yards of crepe paper form misty, soulful walls, all combining to give the gym an almost three-dimensional effect.

The dress is semi-formal for the girls and suits for the fellows. There will be dancing to the music of Buddy King and his six piece band. Between dances couples may promenade around the lighted swimming pool, aligned with shrubbery and luxuriant chaise lounges and settees, under star filled skies and a new moon. Refreshments include Petite Fors and ice cream, also in the dance's color motif.

We have it on good authority that this will be "the most beautiful prom anyone has ever gine to." It will be a treat for some of us wallflowers just to sit on the sidelines and note the smooth dancers and smoother formals. Two girls waited to hear what the decoration color plans were to be; then they purchased formals in appropriate shades.

The dance will be more thoroughly overseered than any high school event has ever been. We'll mention a few of the more prominent chaperones and work they have done to make this event the unforgettable success it undoubtedly will be. Superintendent Hill gave us the initial "go" signal making the whole evening possible. Mr. Meischke worked at pulling all the thirty seven necessary strings cohesively together, assisted by Mr. Brown, who is General Supervisor of the Prom. Mrs. Winston and Mr. Canterbury organized and supervised the beautiful decorations mentioned above. Mrs. Charlson, Mrs. Harrington, and Miss Miller are taking care of all the refreshment problems. Mr. Stephens is in charge of the intricate lighting effects. Mr. Culp is assisting with prom decirations from a carpenter's point of view (pardon, Mr. Culp, a craftsman's point of view), and helping clean up will be Mr. Klassen, Mr. Wallace, and Miss Zemer. The dance is not only beautiful; it is the culmination of the work if many williing hands. You'll be hearing more about the wonderful climb up the "Stairway to the Stars", we're sure.

Monday morning during third period, we all went out to the football bleachers and sat in the sun for an energetic and meaningful rally. It featured eight cheerleaders "trying out" prior to the all school elections held yesterday. Not all eight were dynamic spellbinders electrifying the crowd but we feel that Ellen Stepovich, Lois Fairbanks, Charlotte Huber, Darlene Bohn, Sharon Hannibal, Winnie Werliing, Dick Soti, and Viince Figliomeni deserve an accolade just for having the courage to gyrate before a hypercriticad audience of 1600 fans. Could you do it with any aplomb? I couldn't.

Also at the rally, baseball coach George Miskulin made a fervent plea for a solid-packed stand full of enthusiastic rooters to attend this afternoon's final baseball clash. The opponents are Los Gatos, our arch enemies, supposedly gunning for blood after their rather one-sided football and basketball defeats at our hands.

Our Bucs will surely have to play better ball than they did last Thursday when the Panthers of Santa Clara made us look more like a sieve than a bucket. Again, Ron Bacon pitched beautiful ball until the infield sprang some unexpected and unexplained leaks.

Come on out to our field fir this afternoon's "Big Game", baseball style. Game time is 3 p. m.

All of the interesting activities of the school year haven't been confirmed to the auditorium, gymnasiums, pool, or athletic fields. Mrs. Dadmun's students, for example, claim that they're entertained as well as educated in psychology class. Certainly, they debate some intrigung topics.

Highlight of their academic year came last Thursday when they "talked things over" (no one "lectures" to such a responsive group!) with Mr. and Mrs. Willys Peck of Saratoga. Willys is one of the central coast writers for **The San Jose Mercury**, and his wife was formerly a San Mateo County schools supervisor, but this couple spoke Thursday of a more common occupation, marriage.

To what source could students better turn than to a well adjusted and happily married couple? A man, his wife, and their new baby top any textbook. Mrs. Dadmun's young psychologists will never forget "the good advice" exemplified by the Pecks. As one of them put it, "I learned a lot just seeing the three of them together!"

Mothers in the area are still talking about last Thursday night's fifth annual Mother-Daughter banquet sponsored by the CUHS chapter of FHA in the school cafeteria.

After reciting the stirring F. H. A. creed ("We face the future with warm courage and high hope. . . "). 115 hungry plate-fillers enjoyed a sensational baked ham, sweet potatoes and strawberry sherbet dinner cooked by FHA girls and served by CUH'S conscientious and hard working F. F. A. boys.

Entertainment featured a hilariously funny skit presented by Josephine Buccellato and Vandell Kennedy proving that one can's grow if he uses too much "shortening" (an old gag, but well presented). There were two new numbers by the faculty trio, "When it's Toothpick Time in False Teeth Valley" and "The Billboard Song".

Mrs. Ponder and other Campbell High School Orientation teachers selected one representative from each of 17 classes to go to various Santa Clara County government offices on different days. Here are the representatives who have already paid significant visits to the Board of supervisors, Judge Byrl Salsman's court, as well as the county treasurer and coroner's offices. Tomorrow they'll be out at the State House meeting Clyde Arbuckle, county historian.—Campbell Hi Photo.

Each year an honorary membership is presented to one adult doing outstanding work for an FHA Chapter. This year advisor Dorothy Harrington was so honored. She now proudly sports a beautiful gold membership emblem right over her heart.

Beatrice Rodriguez, (left of Mrs. Harriington), our chapter's candidate for the state degree, will receive her award at the FHA state convention in October. With glasses(Ellen Nunnemaker), (far right) Alice Higa.

Among the other achievement awards were the following:

Junior Degrees; Irene Rodrigues, Gwen Nomura, Mary Sato, Mary Shinn, Donna Vroom, Marlene Silva, Arlene Bese, Haruko Ogata, Betty Banks, Josephine Buccellato, Ellen Nunnemaker, Runore Smith, Pat Barns, Janice Nomura, Ann Aguilar.

Chapter Degrees; Louise George, Donna Phillips, Marilyn Peters, Masako Kawauchi, Sally Ota, Russelene Haggard, Alice Lassen, Eugenia Chaboya, Pat Berg, Nancy Shanrock.

Emblem Ceremony; Masako Kawauchi, Donna Phillips, Nancy Shanrock, Marilyn Peters, Alice Lassen, Beatrice Rodroguez, Louise George, Carol Phillips.

The last PTA meeting of the school year will be held in the school cafeteria on Wednesday evening, May 20. It will feature the installation of new officers as well as a report on the state convention.

CITIZENS' ADVISORY COUNCIL BACKS JUNE 16 ELECTION FOR SCHOOL FUNDS

Citizens Advisory Council of Campbell Union School District Tuesday opened its campaign backing a June 16 election to obtain voter approval of the $750,000 loan from State funds to build two new schools and improve a third.

As the first step in th ecampaign, the Council named one representative of each of the district's present six schools to head campaign efforts in their respective areas.

Serving on the group, headed by Mrs. Richard English, representing Campbell Flementary School, are Mrs. Frank Stasi, Cypress School; Mrs. Steven Anderson, San Tomas School; Mrs. Robert Gallion, Quito School; Mrs. Albert Barshow, Moorpark School, and Mrs. Charles Schmidt, Rosemary School.

The newly-formed Council has undertaken to seek voter approval in the authorization election as a means of forestalling double sessions in all grades up to the sixth in the school year starting in the Spring of 1954.

William C. Henley, superintendent of schools, has estimated the present enrollment of 3650 children will jump to 4300 next year, and at the start of the 1954-55 school year, more than 5100 youngsters will be in classes.

"A survey recently completed shows there are now more children of pre-school age in the district than there are youngsters in class. At this rate, we will have enough pupils to care for to not only fill our present schools, but pack the schools as yet unbuilt plus additions we must make to the present six," he declared.

School trustees, already faced with the problem of holding double sessions in all schools in lower grades next year, plan to build new schools on 10-acre sites southwest of Hamilton and Leigh Aves., an dsoutheast of Williams and Winchester Roads with new State aid funds. In addition, another 10 to 12 classrooms would be erected at the new Cherry Lane school site, and 11 rooms at the new Hamilton school.

"Unless we can get started on these new schools and additions quickly, we may find ourselves with double sessions in all elementary school grades by the start of the 1954 year," Henley warned.

Commenting on the June 16 election to obtain State aid funds, Henley pointed out that voter approval will not result in a raise in the school district's tax rate. "We are already bonded to capacity and chargin ga 50-cent rate under bond issue approved last year. Acceptance by the district of additional state funds will not act to alter the tax picture upward.

"In fact, with voter approval June 16, the district will be in the unique position of receiving the money, getting the schools it needs and at the same time having its tax rate drop to 40 cents in the 1954-55 fiscal year. This probably will happen because the maximum tax rate under the present law is 40 cents for bonded indebtedness, and will apply during that year whether additional funds are borrowed or not.

It was also pointed out that the State funds are made on a lend-grant basis. If they are not all paid back in 30 years, the remainder is written off and paid up.

"If the Campbell district continues to grow and need expansion funds, it is entirely a possibility that a good portion of money we borrow will become a grant from the State," Henley said.

VFW Is First To Sell Poppies

Commander Bill McCurdy, of Veterans of Foreign Wars Post No.6305 said today in connection with the May 22nd and 23rd V. F. W. sponsored annual sale of Budd p Poppies that the 1,200,000 strong organization of overseas war veterans was the first veteran organization to sell memorial poppies on a national scale. The V. F. W. is the oldest of all war veteran organizations, having been founded in 1899.

It was in 1922 that the Buddy Poppy was first offered the public by the Veterans of Foreign Wars, said Commander McCurdy, and through the years since millions of the veteran-made flowers have been sold. The proceeds go toward the rehabilitation and relief of veterans and their dependents and toward support of the V. F. W. National home for veterans' orphans and widows at Eaton Rapids, Michigan.

Through humanitarian projects made possible by Buddy Poppy sales, the Veterans of Foreign Wars gives full exemplification of its motto: "We honor the dead by helping the living."

Commander McCurdy, further stated The Veterans of Foreign Wars National home at Eaton Rapids, Mich., is the only home for Veterans' orphans and widows owned and operated by a veteran organization.

BUCS GO HITLESS

The Diamond Demons of Campbell Hi were defeated last Wednesday by Menlo to the tune of 6-2. Although going hitless throughout the whole game, the Bucs scored on Don Field's bunt and Stan William's long fly ball to the outfield. Larry Sutton chucked from the mound for the Bucs, until he was replaced by Ron Bacon. Apparently the team's major trouble is batting, for the highest B. A. on the team is about .275 held by Ron Haywood.

Do You Remember?

Do you remember when silver knives and forks were used only when company came?

Do you remember when practical jokers would set fire to a celluloid collar worn by a member of the crowd?

Do you remember when theatergoers applauded the lad who came out with a broom to sweep the sand off the stage after a tap dancing act? The applause was a nice way of kidding.

Do you remember when a stick of candy was in every package of Arbuckle's Coffee?

Mrs. Charles Chubb, of 681 Emory Drive, will leave Campbell Sunday, May 19, on a flying trip to the home of her parents, at Grand Rapids, Michigan. She received word this week that her father, Samuel Scranton, well-known in Campbell from his many visit here, will undergo surgery, May 19.

Mrs. Chubb expects to return to Campbell about the middle of June. Expected to accompany her on the return trip which will be made by automobile, will be an aunt and uncle of Mr. Chubb, who intend to buy a home in this area.

STATE COLLEGE TO GIVE READING

The first annual faculty performance to perpetuate the Dr. Kaucher Award for Oral Reading will be given May 15 and 16 in the Little Theater of San Jose College.

The award, $25.00, is given each quarter to the best student oral reader of the quarter.

The play, Truman Capote's "Grass Hap", is a comedy-fantasy which tells the story of Miss Dolly Talbo, played by Dr. Dorothy Kaucher, and the adventures she has when she tries to protect her secret.

She and her friend, Catherine Creek, and the 15-year-old Collin Talbo, become the objects of a search by the whole town.

The performance will be presented as a stage reading, with the use of a reading rail, lights, music and a narrator to set the scenes for the audience.

The audience is invited to have coffee with the cast after the show.

Tickets are on sale now, 75 cents adults, 50 cents for students, in room 59, the Speech Office in the College.

Personal instruction is the first step in Janet Gray's thorough on-the-job training as an operator.

JANET GRAY—NEW "VOICE WITH A SMILE"

Like many other young graduates, she'll soon be stepping into her telephone future

Janet Gray might be any of hundreds of young women—from high schools, colleges and commercial schools—who will start telephone careers in the coming weeks. For Janet and her new colleagues, it's a big event. They'll have many interesting types of jobs to choose from, they'll be paid full salaries while they learn their jobs. And they can count on frequent raises. For Janet, the opportunities to advance are excellent. Because women are important in our business...many hold management jobs.

Many young men, too, will be starting telephone careers in the next few months. Their skill and experience will grow through training and actual work on different telephone jobs. And, when qualified, they'll be eligible for promotion to more responsible positions. For it's tradition in our business to choose tomorrow's telephone executives from among the young men starting their telephone careers now.

Thousands of telephone people promoted last year

Last year, several thousand telephone men and women here in the Pacific West were promoted to better, more responsible jobs. Making sure we always have a well-trained force of men and women on the job is one more way we insure good telephone service for you.

POLICE GET CHECK FOR RECOVERED CAR

Campbell Police Department was $20.00 richer last week on receipt of a check from the James W. McAlister Company, San Francisco car dealers. Check was sent in appreciation for the Campbell Police recovery of the 1953 Pontiac automobile, driven by convicted check forgers, George C. Gilbert and his wife.

The pair was captured April 25, when Morris Vossler, local resident and part time service attendent, noticed a pistol sticking in Gilbert's trousers while at the Campbell Richfield Service Station.

The Gilberts had contracted to deliver the car from an Eastern manufacturer to the San Francisco dealer, when they ran afoul of the local police department.

Around The Town with Wayne

Well, neighbors, this is Clean-up, Paint-up, Fix-up week in Campbell. Naturally we are all interested in a cleaner city ... likewise we are concerned with the elements of safety in our business establishments ... We look upon Clean-up Week as the proper time to check all fire hazards, to remove unwanted possessions, to clear away rubbish of all kinds, to make needed repairs, to spread the paint liberally, to trim the shrubbery and mow the lawns ... in short, to dress up our homes and our city for the summer months ahead.

But it seems to me that the idea of Clean-up Week goes deeper than these surface conditions ... there is a psychology back of it that we can all use to advantage ... It makes us THINK ... If we think rightly, constructively, about our city and our homes, we shall take a keener interest in the pride of possession. Actually it is not merely the appearance that marks the value of this Clean-up campaign ... Health and a sense of community well-being are also vital factors.

I sincerely hope that the good people of Campbell will pitch in to make this initial campaign a rousing success, something that can become an annual community project.

CAMPBELL CHIT CHAT ... Ed Woods, very lately of the Weldit Shop, has the right idea for the summer ... He high-tailed it out of town last weekend to spend the summer working with the Forestry Service up Red Bluff way ... But he'll be back with us next Fall.

With all the hullabaloo concerning the BIG BIG deal of Macy's, almost overlooked Santa Clara Stove Company's proposed plans to erect an addition to their warehouse on Railway Avenue ... Amounts to around a $10,000 construction fete.

I failed to make the deadline with this weekly source of inane trivia last week (You missed it?) and thereby hangs a tale, as the old witticism goes ... Seems that Frank DeVita who lives, breathes, and maybe even eats do-nuts, has made an auspicious TV debut on Del Courtney's afternoon show ... All for the cancer fund ... Frank says he is very dubious about forsaking the donut business for the glamour of Television.

NEWNESS IS NEWS ... Another new store has chosen this area to conduct their business ... I'm referring to the new, clean as a whistle paint store, The Paint Pot, at Cambrian Corners. Fred O'Haver, Cambrian Drive resident, is the proud new owner.

Dave (Campbell Stationery) Ribble is off Friday on a short vacation to Coos Bay, Oregon ... Object being a visit with his Mom in Coos Bay, but Dave hopes to sneak a little fishing time in Oregon's grand Rogue River.
